

## The Australian Homestay Network (AHN)

### Key Benefits for Institutions

- An online compliant and accessible/fully trackable/auditable system
- An acceptable industry Advisory Board overseeing the integrity of systems and processes
- Professional 24/7 phone support for students and hosts including emergency and critical incident management
- Appropriate insurances for both hosts and students
- Working with an industry led group founded on the need for homestay to get back to cultural exchange and compliance
- The security of working with Australia's largest supplier of trained homestay hosts and facilitator of student placements into homestay
- AHN is backed by some of Australia's most experienced homestay and industry specialists
- It is free for Education Providers to become a member of AHN
- Agents and institutions can now have a standard national management system for Homestay
- Peace of mind that all hosts/families have compulsory online training
- Ongoing professional development for supervisors/providers/institutions
- Nationally supported branding and advertising to improve the quality of hosts
- Enhanced Australian Homestay image for international marketing support
